Only Shareholders whose names have been entered in the registers of the Company as at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting.

### **NOTICE-AND-ACCESS**

Notice is also hereby given that the Company has decided to use the notice-and-access method of delivery of meeting materials for the Meeting for beneficial owners of Shares of the Company (the “**Non-Registered Holders**”) and for registered shareholders (the “**Registered Holders**”). The notice-and-access method of delivery of meeting materials allows the Company to deliver the meeting materials over the internet in accordance with the notice-and-access rules adopted by the Canadian Securities Administrators under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Under the notice-and-access system, Registered Holders will receive a form of proxy and the Non-Registered Holders will receive a voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of meeting, the management information circular (the “**Circular**”), and related management’s discussion and analysis and other meeting materials, if applicable (collectively the “**Meeting Materials**”), shareholders receive a notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Company will not be adopting stratification procedures in relation to the use of notice-and-access provisions.

The Company anticipates that notice-and-access will directly benefit the Company through a substantial reduction in both postage and printing costs and will also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. ***Am I entitled to vote?***

You are entitled to vote if you were a Shareholder as of the close of business on March 31, 2026. Each Share that you own entitles you to one vote.

- to elect six (6) directors of the Company for the ensuing year;
- to appoint Doane Grant Thornton LLP as the auditors of the Company for the ensuing year and to authorize the directors to fix their remuneration;

### ***Who is soliciting my proxy?***

Management of Galleon Gold is soliciting your proxy. Solicitation of proxies is primarily by mail but may also be made by telephone or other contact, by employees or agents of the Company. All costs of such solicitation (if any) will be borne by the Company.

### ***How do I vote?***

You can vote your Shares by attending and voting your Shares at the Meeting, or by having your Shares voted by proxy. How you exercise your vote depends on whether you are a "Registered Holder" or a "Non-Registered Holder".

*Registered Holders* - If you were a Registered Holder on the Record Date, you can attend and vote at the Meeting, together with all other Registered Holders. Alternatively, you can submit your completed proxy for your Shares to Computershare through the internet or telephone or by signing, dating and returning the enclosed form of proxy in the envelope provided, so that such Shares can be voted at the Meeting.

*Non-Registered Holders* - If your Shares are **not registered** in your name but are held in the name of a nominee (usually a bank, trust company, securities broker or other financial institution) you should have received a request for voting instructions ("**Voting Instruction Form**") from your nominee or an agent acting on its behalf. Please note that we have limited access to the names of our Non-Registered Holders. If you attend the Meeting, we will have no record of your shareholding or your entitlement to vote unless your nominee has appointed you as proxyholder. Therefore, if you wish to vote in person at the Meeting insert your own name in the space provided on the Voting Instruction Form and return it by following the instructions provided. Do not otherwise complete the Voting Instruction Form as your vote will be taken at the Meeting. Please register with our transfer agent Computershare when you arrive at the Meeting. If you do not intend to attend the Meeting in person, **follow the instructions on your Voting Instruction Form to vote by telephone, internet or complete, sign and mail it in the envelope provided.**

There are two categories of Non-Registered Holders under applicable securities regulations for purposes of dissemination to Non-Registered Holders of proxy-related materials and other security holder materials and requests for voting instructions from such Non-Registered Holders. Non-objecting beneficial owners ("**NOBOs**") are Non-Registered Holders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Company, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. Canadian Securities Laws restricts the use of that information to matters strictly relating to the affairs of the Company. Objecting beneficial owners ("**OBOs**") are Non-Registered Holders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Company.

In accordance with the requirements of NI 54-101, the Company is sending the Meeting Materials indirectly to NOBOs and will pay for intermediaries and agents to send the Meeting Materials to NOBOs. The Company intends to pay for intermediaries to deliver Meeting Materials to the OBOs. **As more particularly outlined above under the heading "Notice-and-Access", Meeting Materials will be sent to Non-Registered Holders using the Notice-and-Access Provisions.**

### ***When do I need to return my completed proxy?***

All proxies, whether transmitted by mail, telephone or the internet, must be received not later than 11:00 a.m. ET on May 15, 2026 or in the case of any adjournment(s) or postponement(s) of the Meeting, by no later than 48 hours (excluding Saturdays, Sundays or holidays) before the adjourned or postponed Meeting.

### ***Who votes my Shares and how will they be voted if I return a proxy?***

When you complete and return the proxy, you are authorizing the person(s) named in it to attend the Meeting and to vote your Shares. The Shares represented by your proxy will be voted or withheld from voting in accordance with your instructions on any ballot that may be called for and if you specify a choice with respect to any matter to be acted upon, the Shares will be voted accordingly. If you properly complete and return your proxy but do not specify how you wish the votes cast, your Shares will be voted as your proxyholder sees fit. **Unless contrary instructions are provided, Shares represented by proxies by management will be voted:**

- For the election of the six (6) director nominees;
- For the appointment of Doane Grant Thornton LLP as auditors to serve until the next annual meeting;
- For the approval of Pan American as a Control Person of the Company; and
- For the continuation of the Company' Stock Option Plan.

***Can I appoint someone other than the individuals named in the enclosed proxy to vote my Shares?***

Yes, you have the right to appoint another person of your choice, other than the persons designated in the form of proxy, who need not be a shareholder, to attend and act on your behalf at the Meeting. To appoint a person other than those named in the enclosed proxy, strike out those printed name(s) appearing on the proxy and insert the name of your chosen proxyholder in the space provided. Note that you should ensure that any other person you appoint will attend the Meeting and is aware that his or her appointment has been made to vote your Shares. Proxyholders should, on arrival at the Meeting, present themselves to a representative of Computershare.

***What if my Shares are registered in more than one name or in the name of a company?***

If your Shares are registered in more than one name, all those persons in whose name they are registered must sign the proxy. If the Shares are registered in the name of a company or any name other than your own, you may need to provide documentation that proves you are authorized to sign the proxy on behalf of that company or name. If you have any questions as to what supporting documentation is required, please contact Computershare prior to submitting your proxy.

***Can I revoke a proxy or voting instruction?***

If you are a Registered Holder and have returned a proxy, you may revoke it at any time prior to the exercise thereof by:

- (c) Delivering a written statement, signed by you or your authorized attorney to the chairman of the Meeting on the day of the Meeting or an adjournment thereof; or
- (d) In any other manner permitted by law.

If you are a Non-Registered Holder, please contact your nominee. If you have returned a form of proxy and then attend personally at the Meeting you should, on arrival at the Meeting, contact a representative of Computershare to revoke the proxy and vote in person.

***How may the proxyholders exercise their discretion?***

The proxy provides discretionary authority to the management designees, or other persons named in the proxy, with respect to amendments to or variations of matters identified here and any other matters which may properly come before the Meeting or any adjournments of it. At the date of this Circular, management is not aware of any amendments to, or variations of, or other matters which may come before the Meeting other than the matters referred to herein. **Unless otherwise instructed, the persons named in the accompanying proxy intend to vote FOR the re-appointment of Doane Grant Thornton as the auditors of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed, and to authorize the Board to fix their remuneration.**

### **Approval of New Control Person**

Under the policies of the TSX Venture Exchange (the “**TSXV**”), a “Control Person” is defined as any person that holds or is one of a combination of persons that holds a sufficient number of any of the securities of an issuer to affect materially the control of the issuer, or that holds more than 20% of the outstanding voting shares of an issuer, except where there is evidence showing that the holder of those securities does not materially affect the control of the issuer. Pursuant to the policies of the TSXV, if a Control Person is created as a result of the acquisition of securities of an issuer, the TSXV will require the issuer to obtain the approval of a majority of the Shareholders of the issuer, not including the shares held by such potential Control Person and its associates and affiliates (“**Disinterested Shareholders**”), for the issuance of securities that could result in the creation of such Control Person.

The Company completed a series of financing transactions with Pan American in 2025. As a result of those transactions, Pan American currently owns 19,824,766 Shares, 9,375,000 Warrants (as defined below) and Convertible Debenture with a principal amount of \$8,000,000 (as defined below). These holdings represent 14.86% of the issued and outstanding Shares on a non-diluted basis, and 46,977,543 Shares, or 29.25% of the issued and outstanding Shares on a partially diluted basis, assuming full exercise of the Warrants and full conversion of the Convertible Debenture. The terms of the Warrants and the Convertible Debenture provide that Pan American is prohibited from exercising or converting the Warrants and the Convertible Debenture, as the case may be, to the extent that following such exercise or conversion Pan American would own more than 19.9% of the issued and outstanding Shares unless and until Pan American is approved as a Control Person by Disinterested Shareholders in accordance with the policies of the TSXV. The Warrants and Convertible Debenture are exercisable or convertible for an aggregate of 27,152,777 Shares.

As a result of the restrictions contained in the Warrants and Convertible Debenture, Pan American is currently entitled to acquire approximately 8,580,000 of additional Shares through the exercise or conversion of the Warrants and/or Convertible Debenture.

At the Meeting, Disinterested Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution approving the issuance of up to 27,152,777 Shares on the exercise or conversion of the Warrants and the Convertible Debenture and the creation of a new Control Person (the “**Control Person Resolution**”). To be adopted, the Control Person Resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting by Disinterested Shareholders.

### **Financing Transactions with Pan American**

On August 13, 2025, the Company and Pan American entered into a strategic investment agreement (the “**Investment Agreement**”) pursuant to which Pan American invested in the Company through the subscription for an unsecured convertible debenture in the principal amount of \$8,000,000 (the “**Convertible Debenture**”). The Convertible Debenture has a term of 36 months, bears interest at a rate of 10.0% per annum, payable in cash or Shares of the Company at the option of Pan American at the end of the term, and is convertible into 17,777,777 Shares at a price of \$0.45 per share. The Company may, subject to Pan American’s conversion rights, repay the Convertible Debenture in whole or in part, any time following the second anniversary of the date of issuance of the Convertible Debenture and prior to the end of the term. Under the terms of the Investment Agreement, Pan American agreed to be subject to a standstill for a period of 36 months preventing Pan American from acquiring any additional securities of the Company that would result in Pan American owning or having direction or control of over more than 19.9% of the issued and outstanding Shares determined on a fully diluted basis without the prior consent of the Company (the “**Standstill**”). The Investment Agreement also granted Pan American a right to participate on a *pro rata* basis in any future equity financings by the Company until the earlier of: (i) November 30, 2025, in the event that the Company and Lake Shore Gold Corp., a wholly owned subsidiary of Pan American (“**Lake Shore Gold**”) have not entered into a toll milling agreement; and (ii) the date that Pan American owns less than 5% of the issued and outstanding Shares calculated on a fully-diluted basis.

The Company also entered into a memorandum of understanding with Lake Shore Gold for toll processing of mineralized materials from the Company’s planned 86,500-tonne bulk sample at its West Cache Gold Project. The parties are working towards a definitive agreement for the toll processing, which is expected to be completed in the near term. The proposed arrangement would see mineralized material transported to Pan American’s Bell Creek Mill, located approximately 40 km east of West Cache. The Company will be responsible for delivery of the bulk sample to the mill, as well as the collection and arrangements for the final product. The Company will also enter into a services agreement with Pan American, which will provide the Company with access to Pan American’s team and equipment on a mutually agreed upon basis, providing technical support and manpower as needed.

On November 22, 2025, the Company and Pan American amended the Convertible Debenture (the “**Amendment**”) and the Investment Agreement. The Convertible Debenture was amended to prohibit conversion to the extent that, following conversion, Pan American would own or control more than 19.9% of the Company’s issued and outstanding Shares until Disinterested Shareholders approved Pan American as a “Control Person” in accordance with TSXV requirements. The Company also agreed to seek such Disinterested Shareholder approval at its next annual general meeting.

Also on November 22, 2025, the Investment Agreement was amended to extend the expiry date of the Pan American’s pre-emptive rights from November 30, 2025 to January 31, 2026. Those rights were subsequently extended on two further occasions and, as of the date hereof, expire on the earlier of May 31, 2026, the completion of the toll milling agreement with Lake Shore Gold, if earlier.

On December 4, 2025, Pan American purchased 18,750,000 units of the Company at a price of \$0.60 per unit for an aggregate purchase price of \$11,250,000 with each unit being comprised of one Share and one-half common share purchase warrant (each whole warrant, a “**Warrant**”). The investment by Pan American completed along with a larger brokered financing of 31,250,000 units for gross proceeds of \$18,750,000 (the “**December 2025 Financing**”). Each Warrant is exercisable for one Share at a price of \$0.75 per share until December 4, 2027.

At the time of Pan American’s participation in the Company’s December 2025 Financing, Pan American held securities that resulted in it being a related party of the Company for purposes of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”). As a result, the participation of Pan American in the financing constituted a related party transaction for the Company under MI 61-101. The application of MI 61-101 to the transaction was not identified by the Company until after closing of the financing. The Company understands that no exemption was available from the minority shareholder approval requirements of MI 61-101 in respect of the transaction.

Following the completion of the December 2025 Financing, the Amendment was revised effective as of the date of the original Amendment to include a further restriction providing that Pan American could not convert the Convertible Debenture to the extent that, after giving effect to such conversion, Pan American would beneficially own more than 9.9% of the Company's issued and outstanding Shares, in addition to the existing 19.9% ownership limitation applicable pending shareholder approval of Pan American as a Control Person. We believe that the Ontario Securities Commission is continuing to review matters relating to the Company's December 2025 Financing and related arrangements with Pan American, including the application of MI 61-101. The Company has cooperated with that review.

On December 30, 2025, the Company entered into a \$46,000,000 credit facility (the "**Facility**") with Pan American, maturing 24 months from closing, bearing interest at the 12-month prime rate plus 7.00% per annum, and secured by a first-ranking charge over substantially all of the Company's assets. The Facility carries an arrangement fee of 2.5% and a standby fee of 1.6% per annum on the unadvanced portion. Upon closing, Pan American elected to receive the arrangement fee in shares rather than cash, and accordingly, the Company issued 1,074,766 Shares to Pan American in full satisfaction of this obligation. On March 30, 2026, Pan American amended the credit agreement related to the Facility to formalize the parties' prior agreement to remove the provisions permitting the Company to satisfy interest payments and standby fees through the issuance of Shares of the Company. Pursuant to the Amendment, such provisions have been removed from the Credit Agreement and accordingly, all interest and standby fee obligations under the Credit Agreement will be payable exclusively in cash.

Following the foregoing financing transactions, Pan American holds 19,824,766 Shares, 9,375,000 Warrants (as defined below) and the Convertible Debenture with a principal amount of \$8,000,000. These holdings represent 14.86% of the issued and outstanding Shares on a non-diluted basis, and 46,977,543 Shares, or 29.25% of the issued and outstanding Shares on a partially diluted basis, assuming full exercise of the Warrants and full conversion of the Convertible Debenture.

#### ***Board Recommendation***

The Board is recommending that Disinterested Shareholders vote in favour of the Control Person Resolution. In making this recommendation, the Board considered the Company's relationship with Pan American, the governance implications of a Control Person, and the interests of Shareholders other than Pan American.

The recommendation of the Board is based on several considerations, including the following:

- The agreement of the Company to seek the approval of Pan American as a Control Person was given in connection with Pan American agreeing to include the restriction in the Convertible Debenture prohibiting Pan American from exercising the Convertible Debenture to the extent it would result in Pan American owning more than 19.9% of the issued and outstanding Shares. Prior to the inclusion of the 19.9% restriction, Pan American would have been able to own more than 19.9% of the issued and outstanding Shares, subject to the Standstill.
- Pan American remains subject to the Standstill whether or not Disinterested Shareholders approve the Control Person Resolution.
- The agreement to seek approval of Pan American as a Control Person was a necessary step to securing additional financing from Pan American, which the Board considered important to the Company's ongoing development while also taking into account the impact of such arrangements on shareholders other than Pan American.
- At the time of December 2025 Financing with Pan American and the agreement to seek shareholder approval, the Company had another significant shareholder, 2176423 Ontario Ltd., which held approximately 18.01% and 29.21% of the issued and outstanding Shares on an undiluted and partially diluted basis, respectively, and had been previously approved as a Control Person by shareholders of the Company. 2176423 Ontario Ltd. currently holds approximately 14.21% on an undiluted basis and 22.75% on partially diluted basis of the issued and outstanding Shares, while Pan American holds approximately 14.86% and 29.25%, respectively.

Each of the directors and officers of the Company intend to vote in favour of the Control Person Resolution.

### ***Control Person Resolution***

As provided above, at the Meeting, Disinterested Shareholders will be asked to consider, and if deemed advisable, to pass, with or without variation, the following Control Person Resolution. The Control Person Resolution must be approved by a simple majority of the votes cast by Disinterested Shareholders represented in person or by proxy at the Meeting. All votes attaching to Shares held by Pan American or any of its associates or affiliates, will be excluded when determining whether or not the Control Person Resolution has received the requisite approval. At the date hereof and to the knowledge of the Company, Pan American and its associates and affiliates own 19,824,766 Shares or 14.86% of the issued and outstanding Shares.

Irrespective of whether or not the Control Person Resolution is approved at the Meeting, Pan American will remain subject to the Standstill provision contained in the Investment Agreement.

At the Meeting, Disinterested Shareholders will be asked to consider, and if deemed advisable, to pass, with or without variation, the following Control Person Resolution:

"BE IT HEREBY RESOLVED as an ordinary resolution of the Company that:

1. the issuance of up to 27,152,777 Shares of the Company to Pan American on the exercise or conversion of the Warrants and Convertible Debenture and the creation of a new Control Person of the Company, as such term is defined in the policies of the TSXV, be and are hereby authorized and approved; and
2. any one director or officer of the Company be and is hereby authorized and directed, on behalf of the Company, to take all necessary steps and proceedings that may be necessary or desirable to give effect to this resolution."

**The Board recommends that shareholders vote in favour of the Control Person Resolution at the Meeting. The persons named in the form of proxy accompanying this Circular intend to vote in favour of the Control Person Resolution in the absence of direction to the contrary from the shareholder appointing them.**

### **Continuance of Stock Option Plan**

Pursuant to TSXV policies, a TSXV-listed issuer is required to obtain the approval of its shareholders for a "rolling" stock option plan at each annual meeting of shareholders. Shareholders will be asked to approve by ordinary resolution the continuance of the Company's Stock Option Plan pursuant to which 10% of the Company's issued and outstanding shares are set aside and reserved for Options on a rolling basis. The Stock Option Plan was last approved by the shareholders of the Company at the annual and special meeting of shareholders held on May 27, 2025. The form of Stock Option Plan to be re-approved and ratified at the Meeting is attached as Schedule "B" of the Company's management information circular. The complete text of the ordinary resolution which management intends to place before the Meeting for approval, with or without modification, is as follows:

"BE IT HEREBY RESOLVED as an ordinary resolution of the Company that:

1. the "rolling" stock option plan (the "**Stock Option Plan**") of the Company effective as of December 11, 2019, is hereby approved, ratified and confirmed;
2. the form of the Stock Option Plan may be amended in order to satisfy the requirements or requests of the TSXV, or at the discretion of the Board of Directors of the Company acting in the best interests of the Company, subject to the policies of the TSXV, without requiring further approval of the Shareholders of the Company; and
3. any one (or more) director(s) or officer(s) of the Company be and is hereby authorized and directed, on behalf of the Company, to take all necessary steps and proceedings that may be necessary or desirable to give effect to this resolution."

**Unless otherwise instructed, the persons named in the accompanying proxy intend to vote FOR the continuance of the Company's Stock Option Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting.**

#### **Other Matters**

Management of the Company knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Circular. However, if any other matter properly comes before the Meeting, the form of proxy furnished by the Company will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

### **EXECUTIVE COMPENSATION**

#### **Compensation Discussion and Analysis**

The following Compensation Discussion and Analysis describes and explains the significant elements of our compensation programs. The objectives of our compensation program are to retain and motivate qualified executive officers who will drive our success while promoting an alignment of interests between the executive officers and the Shareholders. Compensation consists of three elements: base salary, short-term incentive bonus, and Options. The Compensation Committee reviews annually each component and appropriate competitive factors, and makes recommendations based upon performance.

*Base salaries:* The primary element of our compensation program is base salary. Our view is that a competitive base salary is a necessary element for retaining and attracting qualified employees. The base salary of each executive is determined based upon survey of competitive information, number of years' experience, and comparison to other base salaries paid in similar situations.

*Short-term incentive bonus:* In addition to establishing competitive base salaries and option incentives, one of the objectives of the executive compensation strategy is to encourage and recognize strong levels of performance by linking achievement of specific goals with variable cash compensation in the form of a short-term incentive bonus. Target bonus awards range up to 100% of base salary for the achievement of specific operational objectives, subject to market conditions. The amount of any bonus is based upon a recommendation of the Compensation Committee and discussion with the full Board.

*Options:* The number of Options granted is reviewed at each grant date to provide medium-term incentives. The determination as to the number of Options awarded is arrived at subjectively based upon a recommendation of the Compensation Committee and discussion with the full Board. The terms and conditions of Options granted to executives and other employees are reviewed for each grant at the time that it is made. There were 9,965,000 Options outstanding at the Record Date.

### Notes:

(1) Value vested during the year is calculated using the Black-Scholes option pricing model at the date of the grant. All Options were fully vested on the date of grant.

## Stock Option Plan and Option-Based Awards

The timing of the grant and number of Shares made subject to Options, with respect to Options proposed to be granted by the Company to its executive officers, is recommended by the CEO, reviewed and approved (or revised, if thought appropriate) by the Compensation Committee and implemented by a resolution of the Board. The review of proposed Option grants by the Compensation Committee (which is composed of independent directors) and the implementation thereof by the Board (which is comprised of a majority of independent directors) provides the independent directors with significant input into such compensation decisions. Previous grants of Options are taken into account when considering new grants. There are at present no policies that forbid a Named Executive Officer or a director from acquiring financial instruments to hedge a decrease in the market value of share-based or option-based securities. To the knowledge of the Company, for the fiscal year ended November 30, 2025, no Named Executive Officer or director, directly or indirectly, employed a strategy to hedge or offset a decrease in market value of equity securities granted as compensation or held.

At a special meeting of the Shareholders on December 11, 2019 the Shareholders approved a 10% "Rolling" Stock Option Plan which needs to be re-approved every year thereafter. The Plan was re-approved at the last annual and special meeting of shareholders on May 27, 2025. For a summary of the terms of the Stock Option Plan, see "*Securities Authorized for Issuance Under Equity Compensation Plans – Summary of the Stock Option Plan*".

## Pension Plan Benefits

The Company does not have any pension plans that provide for retirement benefits or payments for directors and executive officers at, following or in connection with retirement.

## Termination, Change of Control Benefits, Employment and Management Contracts

There are certain circumstances that trigger payments or the provision of other benefits to a NEO upon termination and change of control. Such change of control provisions are necessary in order to attract and retain highly skilled executives. Change of control provisions are necessary not only to protect NEOs of the Company, but also to encourage NEOs to pursue transactions, including mergers and take-overs, that are beneficial to the Company but may result in the termination of the NEO's employment.

On January 11, 2019, the Company appointed, R. David Russell ("**Mr. Russell**"), as the Company's CEO and President, and entered into a consulting agreement that provides for a monthly fee of US\$26,666. Mr.

If Mr. Russell's consulting agreement is terminated following a Change of Control (as defined below), Mr. Russell shall be deemed to have been terminated without cause by the Company. The consulting agreement with Mr. Russell shall be terminated by death or permanent disability and all compensation ceased at the end of the month following the termination. Mr. Russell or his heirs will have twelve (12) months to exercise all Options held after termination.

Sonia Agustina ("**Ms. Agustina**") was appointed as CFO on March 9, 2018. Ms. Agustina provides consulting services through, 2399384 Ontario Inc., a company she owns and controls for a monthly fee of \$10,417. In the event that the consulting agreement with Ms. Agustina is terminated by the Company without cause, the Company shall provide twenty-four (24) months prior written notice or 24 months' salary, in lieu of notice. If Ms. Agustina's consulting agreement is terminated following a Change of Control (as defined below), Ms. Agustina shall be deemed to have been terminated without cause by the Company. The consulting agreement with Ms. Agustina shall be terminated by death or permanent disability and all compensation ceased at the end of the month following the termination. Ms. Agustina or her heirs will have twelve (12) months to exercise all Options held after termination.

Lisa Buchan ("**Ms. Buchan**") has been an employee of the Company since 2007. Effective March 1, 2019, the Company entered into a new employment agreement that provides a monthly salary which is currently set at \$15,417. Variable compensation includes a bonus with a minimum of 75% of salary for each new mining project or acquisition/merger of a company with mining assets completed. Ms. Buchan is also entitled to monthly health and dental allowance of \$1,000 per month until the Company adopts an employee health plan. In the event that the employment agreement with Ms. Buchan is terminated by the Company without cause, the Company shall provide twenty-four (24) months prior written notice or 24 months' salary, in lieu of notice, plus a lump sum payment of US\$100,000. If Ms. Buchan employment agreement is terminated following a Change of Control (as defined below), Ms. Buchan shall be deemed to have been terminated without cause by the Company. The following is a brief description of the Stock Option Plan and is qualified in its entirety by the full text thereof included in Schedule “B”.

- Options may be granted under the Stock Option Plan to a director, officer, employee, consultant or service provider of the Company.
- The Stock Option Plan is administered by the Compensation Committee. The Board has the power to grant Options, with or without a recommendation of the Compensation Committee.
- The aggregate number of Shares to be delivered upon the exercise of all Options granted under the Stock Option Plan shall not exceed 10% of the issued and outstanding Shares from time to time.

## **CORPORATE GOVERNANCE PRACTICES**

The Board and management consider good corporate governance to be central to effective and efficient operations. Through the Corporate Governance and Nominating Committee, the Board reviews, evaluates and modifies its governance program to ensure it is of the highest standard. The Board is satisfied that the Company's governance plan is consistent with legal and stock exchange requirements. Under National Instrument 58-101 – *Disclosure of Corporate Governance Practices* the Company is required to disclose certain information relating to its corporate governance practices. This information is set out below.

### **Board of Directors**

NI 58-101 defines an "independent director" as a director who has no direct or indirect material relationship with the Company. A "material relationship" is in turn defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with such member's independent judgment.

The following six directors are independent: James T. O'Neil, Thomas Kofman, Mario Colantonio, Gerhard Merkel, Richard F. Nanna and Michael Hobart. One director, R. David Russell, is not independent. Following the Meeting, the Board will be comprised of six (6) members, of which five (5) will be independent.

The Board facilitates its exercise of independent supervision over management by ensuring that at least half of its directors qualify as independent directors pursuant to NI 58-101 and by establishing committees that are comprised of a majority of independent members.

The following proposed directors are currently directors of other issuers that are reporting issuers (or the equivalent):

Name of Director	Issuer
Thomas Kofman	Urbanfund Corp. Tempus Capital Inc.
Michael Hobart	Getchel Gold Corp.

The Board and its committees meet as necessary in the absence of the President and CEO and other members of management. The Audit Committee also holds *in camera* sessions with only the external auditors present as needed.

#### **Position Description**

The Board has developed written position descriptions for the Chairman and the chair of each Board committee. The Board has developed a written position description for the CEO.

#### **Orientation and Continuing Education**

Due to the size of the Board, no formal program exists for the orientation of new directors. Upon joining the Board, new directors will be given access to all of the background documents of the Company, including all corporate records, by-laws, corporate policies, organization structure and prior board and committee minutes. Candidates for election to the Board will have been allowed the opportunity to review appropriate portions of such material prior to their having indicated their consent to stand for election as directors, in order to assess their suitability as directors.

No formal continuing education program exists for directors of the Company. As part of continuing education, the Board will receive management presentations with respect to the operations and business risks as needed. In addition, the individual directors identify their continuing education needs through a variety of means, including discussions with management and at Board and committee meetings.

#### **Ethical Business Conduct**

The Board has adopted a Code of Business Conduct and Ethics applicable to the directors, officers and employees. A copy of the Code of Business Conduct and Ethics is available for review on our website at [galleongold.com](http://galleongold.com).

When situations of non-compliance with the code become known to management, it would take appropriate disciplinary actions. Management is required to report violations of the code and any actions taken to the Corporate Governance and Nominating Committee. The Board monitors this by periodic reporting by the Corporate Governance and Nominating Committee to the full Board. There have not been any material change reports filed since the beginning of the Company's most recently completed financial year that pertain to any conduct of a director or executive officer that constitutes a departure from the code. Directors recuse themselves from discussions where they have a conflict of interest or may be perceived to have a conflict of interest. The Chair may also request that a director recuse himself or abstain from voting on an issue if he feels that there may be a conflict or if required by law.

The Board has adopted a Whistleblower Policy which provides employees, management, officers, directors, contractors, consultants and committee members with the ability to report, on a confidential and anonymous basis: (a) any concern that an employee, director, officer or consultant has committed an actual or apparent violation of the *Code of Conduct and Ethics Policy* or *Whistleblower Policy*; (b) any actual or apparent violation of our *Insider Trading Policy*; (c) any significant violation of any other of our policies; (d) any complaint regarding accounting, internal controls, disclosure controls or auditing matters, or (e) any good faith concerns regarding possible fraud, or questionable accounting or auditing matters.

The Nominating and Governance Committee makes recommendations to the full Board concerning all nominees for board membership. When it is determined that a new director is desirable, the Nominating and Governance Committee will engage in appropriate activities to ensure

an effective process for selecting candidates for nomination, including developing criteria for the selection of a new director and identifying and recommending individuals qualified and suitable to become directors. The Chair or the Chief Executive Officer will meet with potential new candidates prior to nomination to discuss the time commitments and performance expectations and approval by the Board for the nomination will be requested. (the “**Company**”) has established a Stock Option Plan (the “**Plan**”) for *bona fide* Directors, Employees, Consultants, Service Providers and any personal holding company (a “**Personal Holding Company**”) of a Director, Employee, Consultant or Service Provider (collectively, the “**Admissible Persons**”), to purchase authorized but unissued common shares of the Company (the “**Common Shares**”) on the terms and conditions hereinafter set out.

The Board of Directors of the Company may appoint a committee to administer the Plan (the “**Committee**”). In the event such a Committee is not appointed by the Board of Directors, then the Board of Directors shall, for the purposes herein, be deemed to constitute the Committee.

**2. PURPOSE**

The purpose of the Plan is to encourage the participation of the Admissible Persons in the Company’s growth and development by providing them, through the grant of options exercisable for Common Shares (the “**Options**”), with the opportunity to acquire a financial interest in the Company, or increase same.

**3. DEFINITIONS**

All capitalized terms used but not otherwise defined herein shall have the meaning ascribed thereto in the TSX Venture Exchange (“**TSXV**”) Corporate Finance Manual Policy 1.1 – *Interpretation* and Policy 4.4 – *Incentive Stock Options*.

The granting of any Option to an Optionee does not confer upon the Optionee any right to continue in the employment of the Company or as a member of the Board, as the case may be, nor does it interfere in any way with the rights of the Optionee or of the Company’s rights to terminate the Optionee’s employment or consultancy agreement at any time or of any shareholder’s right to nominate or elect one or more Directors of the Company.

For options granted to Employees, Consultants, Service Providers (including a Personal Holding Company of an Employee, Consulting or Service Provider), the Company shall represent that the Optionee is a *bona fide* Employee, Consultant or Service Provider, as the case may be.

## 6. OPTION PRICE

The purchase price of the Common Shares, upon exercise of each Option granted under the Plan, (the "**Option Price**") shall be a price fixed for such Option by the Committee upon grant of each such Option provided that such Option Price shall not be lower than the Discounted Market Price at the time of grant. In the event that the Company proposes to reduce the Option Price or extend the term of Options granted to an Optionee who is an Insider of the Company at the time of the proposed amendment, such amendment shall not be effective until disinterested shareholder approval has been obtained in respect of the Option Price reduction or extension of the term of the Option, as the case may be.

The allotment of the Common Shares and the Company's obligation to issue Common Shares pursuant to the Plan are subject to the Company having obtained the required authorizations from the regulatory authorities pertaining to the allotment of the Options or to the issuance and distribution of the Optioned Shares and the listing of the Optioned Shares on the TSXV. The Company undertakes to use its best efforts to obtain all the required approvals to give effect to the Plan.

## **7. METHOD OF EXERCISE OF OPTION**

Each Option or part thereof may be exercised by the Optionee or his heirs or legal personal representative by giving notice in writing in the form annexed hereto as Schedule A hereto addressed to the Company at its head office in Toronto, Ontario, and delivered or mailed by registered mail to the Chief Financial Officer of the Company. Such notice shall specify the number of Optioned Shares with respect to which the Option is being exercised and shall be accompanied by payment in full, by certified cheque or other form of payment acceptable to the Company, of the aggregate Option Price for such number of Optioned Shares so specified therein.

Upon any such exercise of an Option as aforesaid, the Company shall forthwith deliver or, as applicable, cause the transfer agent and registrar of the Company to deliver to the Optionee, or his legal personal representative or to the order thereof, a certificate representing the aggregate number of fully paid and non-assessable Common Shares as the Optionee or his heirs or legal personal representative shall have then paid for. Notwithstanding the foregoing, no Option shall be exercisable unless the Company shall be satisfied that the issuance of Optioned Shares, upon exercise thereof, will be in compliance with the applicable laws of Canada or any province therein and the rules of the TSXV. Upon receipt of payment in full, the number of Optioned Shares in respect of which the Option is exercised will be duly issued as fully paid and non-assessable.

No fractional Common Shares shall be issued upon the exercise of Options. If an Optionee otherwise becomes entitled to a fractional Common Share upon exercise of an Option, such Optionee shall only have the right to purchase the next lowest whole number of Common Shares and no payment or adjustment shall be made with respect to the fractional interest so disregarded.

The exercise of each Option granted under this Plan is subject to the condition that if at anytime the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that an Optionee pay to the Company, in addition to and in the same manner as the Option Price for the Optioned Shares, such amount that the Company is obliged to remit to the relevant taxing authority in respect of the exercise of the Option. Any such additional payment is due no later than the date as of which any amount with respect to the Option exercised first becomes includable in the gross income of the Optionee for tax purposes.

## **8. TERM**

Each Option, unless sooner terminated in accordance with the terms, conditions and limitations thereof, or unless sooner exercised, shall expire at 5:00 p.m. (Toronto time) on the date ("**Expiry Date**") determined by the Board of Directors or by the Committee when the Option is granted or, failing such determination and in any event, not later than that date which is ten (10) years after the grant of the Option.

Subject to the rules, policies or regulations of the TSXV, in the event that the expiry of an Option occurs during a blackout period imposed by management, the Board of Directors or the Committee in accordance with the Company's insider trading policy, if any, the expiry date of such Option shall be deemed to be amended to that date which is seven business days following the end of such blackout period.

## **9. VESTING**

The vesting of each Option granted pursuant to the Plan, and the extent to which each Option is exercisable from time to time during the term of such Option, shall be determined by the Committee in its sole discretion. Notwithstanding the discretion of the Committee to determine vesting periods, Options granted to Consultants conducting Investor Relations Activities for the Company shall vest over a period of not less than twelve (12) months with no more than twenty-five percent (25%) of the options vesting in any three (3) month period.

## 10. TERMINATION AS ADMISSIBLE PERSON

Subject to subsections 10(a) and 10(b) hereof and to any express resolution passed by the Committee with respect to an Option but in no event to exceed an extension of one year, an Option and all rights to purchase Common Shares pursuant thereto shall expire and terminate immediately upon the Optionee who holds such Options ceasing to be an Admissible Person, provided that:

- (a) If, before the expiry of an Option in accordance with the terms thereof, an Optionee shall cease to be an Admissible Person (an “**Event of Termination**”) for any reason other than his or her resignation or termination for Cause of his or her employment with the Company, or his or her resignation or failure to be re-elected as a Director of the Company, then the Optionee may:
  - (i) exercise the Option to the extent that he or she was entitled to do so at the time of such Event of Termination, at any time up to and including, but not after, a date three (3) months following the date of such Event of Termination, or prior to the close of business on the expiration date of the Option, whichever is earlier; and
  - (ii) with the prior written consent of the Board of Directors or the Committee, which consent may be withheld in the Company’s sole discretion, permit the exercise of any Options which have not yet vested at any time up to and including, but not after, a date three (3) months following the date of such Event of Termination, or prior to the close of business on the expiration date of the Option, whichever is earlier, to purchase all or any of the Optioned Shares as the Board of Directors or the Committee may designate but not exceeding the number of Optioned Shares the Optionee would have otherwise been entitled to purchase pursuant to the Option had the Optionee’s status as an Admissible Person been maintained for the term of the Option. The Committee in its sole discretion may extend the time permitted to exercise any Options which have not yet vested at any time up to and including, but not after, a date twelve months following the date of such Event of Termination,
- (b) if an Optionee dies before the expiry of an Option in accordance with the terms thereof, the Optionee’s legal representative(s) may, subject to the terms of the Option and the Plan:
  - (i) exercise the Option to the extent that the Optionee was entitled to do so at the date of his or her death at any time up to and including, but not after, a date one year following the date of death of the Optionee, or prior to the close of business on the expiration date of the Option, whichever is earlier; and
  - (ii) with the prior written consent of the Board of Directors or the Committee, exercise at any time up to and including, but not after, a date one year following the date of death of the Optionee, a further Option to purchase all or any of the Optioned Shares as the Board of Directors or the Committee may designate but not exceeding the number of Optioned Shares the Optionee would have otherwise been entitled to purchase had the Optionee survived.

For greater certainty, Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a Director of the Company provided that the Optionee continues to be an Admissible Person.

For the purposes of this Section 10, “**Cause**” means any act or omission by the Admissible Person which would in law permit an employer to, without notice or payment in lieu of notice, terminate the Admissible Person’s employment or services, and shall include without limitation the meaning attributed thereto in the employment agreement or consulting agreement, as may be applicable, of such Admissible Person.

For the purposes of 10(a), the date the Optionee ceases to be an Admissible Person, in the case of termination of employment with the Company, shall be the last day upon which the employee provides services to the Company at its premises and not the last day of any notice period or upon which the Company pays wages or salaries in lieu of notice of termination, statutory, contractual or otherwise.

#### **11. ISSUE OF COMMON SHARES**

No Optionee shall have any of the rights or a shareholder with respect to any Optioned Shares until same have been paid for in full and issued to him.

#### **12. TRANSFERABILITY AND ASSIGNMENT**

Subject to the provisions of this Section 12, Options are personal to the Optionee. No Optionee may deal with any Option or any interest in it or Transfer any Option now or hereafter held by the Optionee except in accordance with the Plan. A purported Transfer of any Option in violation of the Plan will not be valid and the Company will not issue any Optioned Shares upon the attempted exercise of an improperly Transferred Option. No Option shall be Transferable or assignable other than by will or the laws of succession and distribution.

For the purposes of this Section 12, “**Transfer**” means any sale, exchange, assignment, gift, bequest, disposition, mortgage, charge, pledge, encumbrance, grant of security interest or other arrangement by which, directly or indirectly, possession, legal title or beneficial ownership passes from an Optionee to another person, or to the Optionee in a different capacity, whether or not voluntary or by operation of law and whether or not for value, and any agreement to effect any of the foregoing; and the words “**Transferred**”, “**Transferring**”, “**Transferrable**” and similar words have corresponding meanings.

#### **13. ALTERATION OF NUMBER OF SHARES SUBJECT TO THE PLAN**

The number of Common Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of Common Shares of the Company, and in any such event a corresponding adjustment shall be made changing the number of shares deliverable upon the exercise of any Option theretofore granted without change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Optioned Share. In case the Company is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under the Plan and to prevent their dilution or enlargement.

#### **14. TERMINATION**

Notwithstanding any vesting schedule determined in accordance with Section 9 hereto or any other provision of this Plan, in the event that the Company or its shareholders receive and accept an offer to acquire all of the shares or substantially all of the assets of the Company, whether effected through an acquisition for cash or securities, and whether structured as a purchase, amalgamation, merger, arrangement, reorganization or other business combination (in each case, a “**Sale Transaction**”), the Committee may, in its sole discretion, deal with the Options issued under the Plan in the manner it deems fair and reasonable in light of the circumstances of the Sale Transaction provided all Optionees to whom Options have been granted under the Plan and remain outstanding are treated similarly. In this regard, in the event of a proposed Sale Transaction, the Committee may, in its sole discretion, by written notice (the “**Notice**”) to any Optionee, accelerate the vesting of some or all the Options such that such Options become immediately fully vested. In such circumstances, the Committee may by written notice compel the Optionee to exercise his Options within 30 days of the date of such written notice to exercise, failing which the Optionee’s right to purchase Optioned Shares under such Options lapses. In addition, and without limiting the generality of the foregoing, in connection with a Sale Transaction, the Committee may, without any action or consent required on the part of any such Optionee, (i) deem any or all Options (vested or unvested) under the Plan to have been exercised and the Optioned Shares to have been tendered to the Sale Transaction, (ii) apply a portion of the Optionee’s proceeds from the closing of the Sale Transaction to the Option Price payable by that Optionee for the exercise of his or her Options, (iii) cancel the Options and pay to an Optionee the amount that the Optionee would have received, after deducting the Option Price of the Options, had the Options been exercised, (iv) exchange

Options, or any portion of them, for options to purchase shares in the capital of the acquiror or any corporation which results from an amalgamation, merger or similar transaction involving the Company made in connection with the Sale Transaction, or (v) take such other actions, and combinations of the foregoing actions, as it deems fair and reasonable under the circumstances.

If the proposed Sale Transaction is not completed within 180 days after the date of Notice, any affected Optionee, within a period of 10 days following the 180-day period, may elect to cancel an exercise pursuant to the Notice. In respect of any Optionee who makes this election, the Company will return to the Optionee all rights under such Optionee's Options as if no exercise had been effected, subject to the appropriate adjustment of accounts to the position that would have existed had there been no exercise of Options.

The Committee may at any time terminate the Plan with respect to Common Shares not being, at that time, Optioned Shares, and the Committee may at any time amend any provision of the Plan subject to obtaining the necessary approval of the TSXV and any other applicable regulatory authorities, provided that any such amendment shall not adversely affect or impair any Option previously granted to an Optionee under the Plan, without its consent.

#### **15. ADMINISTRATION AND AMENDMENT**

Within the limitations set forth in the Plan, the Committee is authorized to provide for the grant, vesting, exercise and method of exercise of Options, on such terms (which may vary as between Options) as it shall determine. All decisions and interpretations made by the Committee shall be binding and conclusive on the Company and all Admissible Persons who participate in the Plan. With respect to the Plan and to its administration, time shall be of the essence.

With the consent of the affected Optionee, the Committee may amend or modify any outstanding Option in any manner to the extent that the Committee would have had the initial authority to grant the Option as so modified or amended, including without limitation, to change the date or the price at which an Option becomes exercisable, subject to any required prior approval of any applicable regulatory authority.

Subject to any applicable rules and approvals required by the TSXV, the Committee may from time to time, in its absolute discretion and without the approval of shareholders, make the following amendments to:

- (i) amend the vesting provisions of the Plan;
- (ii) amend the Plan or the terms of an Option as necessary to comply with applicable law or the requirements of the TSXV or any other regulatory body having authority over the Company, the Plan or the shareholders of the Company;
- (iii) make any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of the Plan, correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, correct any grammatical or typographical errors or amend the definitions in the Plan regarding administration of the Plan.

#### **16. WITHHOLDINGS, ETC.**

For certainty and notwithstanding any other provision of the Plan, if the Company is required under the *Income Tax Act* (Canada) or any other applicable law to remit to any governmental authority an amount on account of tax on the value of any taxable benefit associated with the exercise or disposition of Options by an Optionee, then the Optionee shall, concurrently with the exercise or disposition:

- (i) pay to the Company, in addition to the exercise price for the Options, if applicable, sufficient cash as is determined by the Company to be the amount necessary to fund the required tax remittance;

- (ii) authorize the Company, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Company determines such portion of the Optioned Shares being issued upon exercise of the Options as is required to realize cash proceeds in the amount necessary to fund the required tax remittance; or
- (iii) make other arrangements acceptable to the Company to fund the required tax remittance.

**17. GENERAL**

This Plan is to be governed by and interpreted in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

This Plan is effective as of June 21, 2022.
