

## Galleon Gold Engages Independent Trading Group as its Market Maker

Toronto, Ontario, March 20, 2023 – **Galleon Gold Corp.** (the "**Company**") (TSX-V: GGO) announces that, subject to regulatory approval, it has engaged the services of Independent Trading Group ("ITG") to provide market-making services in accordance with TSX Venture Exchange policies. ITG will trade shares of the Company on the TSXV and all other trading venues with the objectives of maintaining a reasonable market and improving the liquidity of the Company's common shares.

Under the agreement, ITG will receive compensation of \$5,000 per month in advance. The agreement is for an initial term of three months and will renew for additional one-month terms unless terminated. The agreement may be terminated by either party with a 30 days' notice. There are no performance factors contained in the agreement and ITG will not receive shares or options as compensation. ITG and the Company are unrelated and unaffiliated entities.

### **About Independent Trading Group**

Independent Trading Group (ITG) Inc. is a Toronto based IIROC dealer-member that specializes in market making, liquidity provision, agency execution, ultra-low latency connectivity, and bespoke algorithmic trading solutions. Established in 1992, with a focus on market structure, execution and trading, ITG has leveraged its own proprietary technology to deliver high quality liquidity provision and execution services to a broad array of public issuers and institutional investors.

### **About Galleon Gold**

Galleon Gold is an exploration and development company focused on advancing the West Cache Gold Project in Timmins, Ontario. The West Cache Gold Project is located 7 km northeast of Pan American Silver's Timmins West Mine and 14 km southwest of Newmont's Hollinger Mine. A 2022 Preliminary Economic Assessment (PEA) for the project demonstrates strong economics. Detail engineering design and baseline studies in support of a permit application for an underground bulk sample are underway.

### **Forward-Looking Statements**

This document contains certain forward-looking statements that reflect the current views and/or expectations of Galleon Gold with respect to its long-term strategy, proposed work, plans and other reports including the PEA for its projects. Forward-looking statements are based on the then-current expectations, beliefs, assumptions, estimates and forecasts about the business and the markets in which Galleon Gold operates. Some of the statements contained herein may be forward-looking statements which involve known and unknown risks and uncertainties. Without limitation, statements regarding potential mineralization and resources, exploration results, expectations, plans, and objectives of Galleon Gold are forward-looking statements that involve various risks. The following are important factors that could cause Galleon Gold's actual results to differ materially from those expressed or implied by such forward-looking statements: changes in the world-wide price of mineral commodities, general market conditions, risks inherent in mineral exploration, risks associated with development, construction and mining operations, risks related to infectious diseases, including Covid-19 and the uncertainty of future exploration activities and cash flows, and the uncertainty of access to additional capital. There can be no assurance that forward-looking statements will prove to be accurate as actual results and future events may differ materially from those anticipated in such statements. Galleon Gold undertakes no obligation to update such forward-looking statements if circumstances or management's estimates or opinions should change. The reader is cautioned not to place undue reliance on such forward-looking statements.
